

Replacing Peerless Winsmith 320-06-1700 Series Brush Holders

Purpose:

Peerless Winsmith has discontinued their DC Servo Motor Line. Magna Products Corp has decided to continue support of this product line with rebuilt motors and spare parts.

The 320-06-1700 series of brush holders are no longer available. You can use the 320-06-0600 series of brush holders in place of the 320-06-1700.

You must change out the 820-07-1300 brush caps to the 820-07-0200 brush caps.
